Dr Ione Lewis, *Chair, PACFA Research Committee*

As of April 2017, Dr. Petra Bueskens has retired as Editor of the Psychotherapy and Counselling Journal of Australia (PACJA) after four years in the role. The members of the PACJA Editorial Board, the PACFA Research Committee and the PACFA Board would like to express their appreciation and gratitude to Petra for her dedication and commitment over these years. During this time, she has presided over three successful editions of PACJA, culminating in a special themed edition on psychoanalytic theories and therapies (PACJA Edition 4), published in August 2016.

We are pleased to officially announce that Dr. Jillian Lynch was confirmed as the new PACJA Editor in June 2017. Jillian was the Assistant Editor of PACJA from March 2016, and was invited to take on the responsibility of managing the editorial process for this fifth edition of the journal in September 2016.
